1. PROJECT DESCRIPTION

Indicate the location of the project, and the Rotary District.

City or Region- San Juan La Laguna Country- Guatemala Rotary District- 4250

Indicate who identified the project? Local Community Host NGO Other

Start Date: January 1, 2008 Completion Date: December 31, 2008

Describe the project, its objectives and how they will be obtained.

1. What is the purpose of this project? Provide a brief description.

To provide San Juan La Laguna with a facility for the paramedics/bomberos to operate out of and to provide the medical needs of the local and surrounding communities along the shore of Lake Atitlan.

2. How will it meet the needs of the community?

The community does not have adequate facilities at the present time.

3. How will the host and international partners communicate and work together to implement this project? Please provide specific examples of activities.

The host club has traveled to the site and visited with the people that will be using the facility. We will also communicate via email with Desiree Sempe of the Vista Hermosa Club as our local coordinator, and Paul Embleton, a paramedic from Washington State, who will be present at the site during construction. We will also be taking teams of volunteer Rotarians to work on the site.
