Exchange student **Bibiana Santos**, center, presented a Brazilian Rotary banner to President **Glenice Hansen** and YEO **Todd Otto** at last week's meeting.

Last Week's Speaker:

Bibiana Santos, Exchange Student

Bibiana Santos arrived in the United States Sept. 4, 2008 and she will return to her home in Brazil in July. While in Dickinson, she greatly improved her English and experienced a range of emotions, from happiness at being in the United States to homesickness to wondering "why am I here?".

Bibi spoke last week about her experiences and presented photos in a power point. She said that the Robbi Kudrna family, her first host family, helped her adjust. She celebrated Christmas at the Guy Moos family's home and New Year's at a hockey tournament with Todd Otto and his family. She made her first snow angel and snow man with her third host family, the Jean Herauf home, and travelled to Minnesota, South Dakota and Canada.

She made friends with other exchange students, particularly the other Brazilian students on Rotary exchanges. Bibi has concluded that she enjoyed her time in Dickinson and learned a lot.

"It was worth it," she said.
