Christmas: December 17 Valentines: February 11, 2004

Rotarians: You can earn \$40 credit on your dues when an individual you propose for membership becomes a member in good standing. (Limited to \$120) during the fiscal year.

Rotary Roundup

- ❖ Last meeting the program was Kent Balland from the ND Dept. of Health.
- ❖ We need host families for our next exchange student coming in the fall. He is a high school student from Belgium. See Clyde Frank for more details.
- ❖ Members of Rotary are invited to the 60th Wedding Anniversary celebration of Donovan and Virginia Benzie, July 5th from 2:00 to 4:30 at the Taylor Opera House.
- ❖ Our club will be donating about \$3000 to Polio Plus. Each member will receive \$30 credit towards a Paul Harris Fellowship.
- ❖ Congratulations to President Jim Ozburn for receiving the Presidential Citation from the District for his leadership during this year.

Totally Useless Information
(AKA, Space fillers)

Why do Wintergreen Life Savers make little blue sparks when you crunch them with your teeth?

What we have here is something called **triboluminescence** or TL. Simply put, triboluminescence is light resulting from crushing or tearing.

Provided by methyl salicylate (oil of wintergreen), when the sugar crystals in the Life Savers get crushed, electrons break loose and scatter all over

creation. The electrons begin to get lonesome for the sugar crystals they broke free from, and decide to return. Problem is that nitrogen molecules took their place and the electrons crash into the nitrogen - causing little blue sparks. *(from coolquiz.com)*

Thank You!

Kenny Mann and Richard Schmidt wish to thank the Rotary Club for the \$250 pacesetter donation for the St. Benedicts piano fund. Members who donated to the fund over and above the \$250 are:

- Pam Kostelecky Shirley Dukart
- Bob & Alice Stranik William Rase
- Richard & Dorothy Schmidt
- Kadrmass, Lee & Jackson
- MDU Fisher Sand & Gravel Co.
- Kenneth & Mary Mann

Our goal of \$4000 has been reached with some outside help.

Thank you, fellow Rotarians.
