I'm Out of a Job – K. Lyon

It's great to be back! Thanks to my colleague Tammy Sattler for getting the Branding Iron to you last week. Thanks to Muriel for getting the information to Tammy. I had intended to stay at my brother's until harvest was done as he is still too ill to participate at all in farming. However, the neighbors did a combining bee and finished up our small grains. Then on Sunday, 24 men showed up to haul hay, and 10 women showed up to cook. They had all the hay hauled in 3 hours, something that would have taken us weeks. I was glad I was out of a job, by their lending a hand, things are a lot less stressful. The neighbors got great joy in helping, so much that they want to do it again. We want them to get together for another reason, though! Don't forget the "Off!"
